Dedication

This book is dedicated to
MR. WILLIAM PANZARINO
with great appreciation for his many years of service
to the students of Wood-Ridge High School.

FOREWORD

AS WE LEAVE THE enchanted land of football games, basketball games, dances and parties, and enter the world of reality, we look back on our four years of high school with nostalgia. This book is our last class effort, a recorded history of our days at Wood-Ridge High School.

Wherever our separate paths may lead—business, military service, or institutions of higher learning—we shall always remember the times, both joyous and sad, that we have shared together.

We have had four years of fun in school, but we have also been prepared for the challenge these uncertain times bring. The responsibility for the success of the country has fallen upon our shoulders. This will be the real test of our moral courage and ability.

We sincerely thank our parents and the faculty and administration of Wood-Ridge High School for patiently guiding us through our formative years.

Although these four years of our education have ended too quickly, and we regret that the time has come for us to leave, we eagerly accept the challenge of this new life, wishing happiness and prosperity to every member of the class of 1963.

VARSITY BASKETBALL—A. Porfido, Coach William Panzarino, J. Larsen, R. Malgran, R. Stoesser, W. Schwartz, W. Mahland, J. Ianelli.

This year the Blue Devils, under the able leadership of William Panzarino and Kenneth Gorab, had their finest season ever. They were champions of the North Jersey Conference and State, Group I runnerups. The all senior team won all but three games. The highlight of the season came in the Fair Lawn gym, when Wood-Ridge defeated Mountain Lakes in the state semifinal. This was a fitting tribute to Coach Panzarino, who retired at the end of the season.

J.V. AND VARSITY—R. Yannarelli, A. Porfido, R. Malgran, J. Larsen, J. Pascale, T. Herrick, R. Stoesser, R. Jahn, W. Schwartz, W. Mahland, C. Taylor, R. Schaffert.
